Headline:
Breezy, with clear spells. Isolated showers, mainly after midnight.

This Evening and Tonight:
Breezy overnight with some clear spells developing. Likely turning a little cloudier after midnight, with some showers possible, mainly across western hills. Feeling cold with icy patches, along with localised frost in sheltered valleys. Minimum temperature -1 deg C (30 deg F).

Sunday:
Dry and chilly start with some sunny spells. Cloud will thicken from the west through the afternoon, although likely remaining dry. Perhaps the odd shower moving into the far northwest. Maximum temperature 5 deg C (41 deg F).

Outlook for Monday to Wednesday:
Breezy on Monday, and rather cloudy with showers, before more general rain in the evening. Wet and windy Tuesday and milder. Further rain likely Wednesday, clearing to showers later.
